

AN INTRODUCTION TO BRIGHSTONE LANDSCAPING

Brighstone Landscaping Limited was established in 1984.

The Company's partners are Simon Hollis and Stephen Smith. Simon and Steve first met at college whilst studying full-time for the Certificate in Horticulture at Cannington in Somerset.

The company has achieved steady growth over the past fifteen years through careful preparation, planning and the delivery of quality services at competitive prices.

Brighstone Landscaping recognises that its best asset is its customers, and that by listening to them and providing a service that meets their needs, success will continue to be achieved.

Initially providing landscaping, design and construction services, the company has expanded its range of services to meet the demand of customers and the community. The company has been awarded several Local Authority Grounds maintenance Contracts, including recreational parks and school grounds.

Brighstone Landscaping Limited currently employs a workforce of 65 and has invested substantially in modern specialist machinery and equipment. Today, Brighstone Landscaping has expanded its services into Hampshire, West Sussex, Wiltshire and Dorset with the establishment of two South Coast bases.

Success has been largely due to our determination to strive for high quality standards aided by well-supervised, highly motivated and trained staff.
