

PARISH COUNCILS & PRIVATE CONTRACTS

By this we mean individual Parish Councils, Industrial Estates, Supermarkets e.g. Sainsburys. Even though a large percentage of our work is carried out on large-scale grounds maintenance contracts, we still feel and hope to provide a high quality and professional service to all our customers. Some of our smaller Parish Council contracts are worth £2000. With this in mind we always aim to meet their expectations such as making sure the village looks tidy for Village in Bloom competitions and Strawberry teas on the village greens.

We also understand the importance of industrial estates being kept tidy for the tenants and their customers as Brighstone Landscaping also work from and manage a small business park. We not only keep the horticultural features tidy but will also carry out repairs to kerb edging etc.

Brighstone Landscaping maintain a number of superstore sites. We can offer a complete grounds maintenance package including weed killing the paved areas to litter picking the shrubberies. We listen to our customers needs and we always demonstrate good horticultural practise and excellent customer service.
